# WELCOME TO THE FUTURE OF SOFTWARE

ALL THE SOFTWARE IN ONE CENTRAL LOCATION, EASILY ACCESSED FROM YOUR DESKTOP ON THE INTERNET.

#### Personable.com Servers, Where...

- All the applications are already installed and ready for your use, with no installation or downloading onto your computer.
- Your Windows 2000 virtual desktop resides.
- You have virtually unlimited storage capacity for your files.

#### Personable.com Windows 2000 Virtual Desktop:

- When you login to your Personable.com account, you access your fully-featured Windows 2000 desktop on our servers.
- This familiar interface and user-friendly point-and-click setup virtually eliminate any learning curve associated with using our service.

# TECHNOLOGY SHOULD SIMPLIFY THE WAY YOU WORK

INSTANT ACCESS TO POPULAR SOFTWARE WITH NO INSTALLATION OR DOWNLOADING.

- Personable.com offers popular applications such as Microsoft Office 2000 Suites and ACT!® 2000 contact management software for rent over the Internet.
- You access the Personable.com software library from a Windows 2000 virtual desktop provided with each user account.
- From your virtual desktop, you select the software you want to rent, and the software icon instantly appears on your virtual desktop, ready to be used.

Minimum 56K Internet connection speed to access your Personable.com virtual desktop.

From your office

On the road

At home

#### Access Anytime, Anywhere:

Because the software and files reside on Personable.com servers and not on any local machine, you may access, work on, and share your files with your colleagues from any computer connected to the Internet, anywhere in the world.
